

DELL™ LATITUDE™ E6420

The style you want and the performance you need come together in one durable package with the Dell Latitude E6420 laptop. The 14" HD, multi-touch LED display, quad-core processing and discrete graphics options make the Latitude E6420 ideal for office-to-home professionals who require high performance and dependability as well as ease of mobility.

Ready for whatever your work might dish out, this business-rugged laptop is stylishly armored top to bottom on the outside with a hard-wearing MIL-STD 810G tested Tri-Metal™ casing, a highly durable anodized aluminum display back, a tough powder-coated base and reinforced metal hinges. On the inside, the Latitude E6420 is also equipped with a spill-resistant keyboard, protective LCD seal and a 360 degree LCD bumper for added screen protection that can outlast the bumps and spills of everyday work.

You can enjoy outstanding productivity while in flight or in low-light settings with the optional backlit¹¹ keyboard and long battery life battery options including 4 and 6 cell ExpressCharge™ battery options. Hot swappable media module options, including optical drives, hard drive, battery and USB 3.0, also help keep productivity in full swing.

As a member of the Latitude E-Family, the E6420 provides go anywhere productivity, confident security and efficient manageability in a durable design that's built to last - all that you've come to expect from the Latitude E-Family.

Built to Last Durability

Doing business today means working anytime, anywhere. You need a laptop to keep up with your work style. Latitude E-Family laptops combine world-class design with durability to perform, wherever business takes you.

- Get protection from extreme temperatures, vibration, dust and high altitudes with MIL-STD-810G tested laptops.
- Look sharp while working hard thanks to the Dell Tri-Metal™ chassis with a brushed aluminum finish and reinforced magnesium alloy wrapped corners..
- Worry less about making a mess with the spill-resistant keyboard and LCD protective seal that helps to form a barrier around your LCD panel when closed.
- Appreciate the fine details, from strong metal-plated hinges and rugged closing latch to the durable powder-coated underside that helps guard against nicks and scratches.

Go-Anywhere Productivity

Get long-lasting power and performance to make your job easier, whether you are in the office or on the road. Latitude E-Family laptops are built with your business in mind, offering great features to help increase productivity.
