The power to do more

Dell™ Vostro™ 2420 / 2520

Introducing the Vostro 2420 / 2520, the mobile business computer solution that redefines essential business computing.

Essential Business Performance.

Whether it's speedy processing power, mobility, connectivity or vivid graphics you demand, the Vostro 2420 or 2520 has the features you need to keep business on the winning path.

- **The Power You Need**. Quickly complete daily tasks, manage email and create spread sheets in a flash with 3rd Generation Intel® Core™ Processor options and Genuine Windows® 7 Professional.
- **Vivid Clarity**. You and your team can design dynamic presentations and enjoy a remarkable visual experience with optional Nvidia™ discrete graphics.
- **Connections Matter.** Use the HD webcam and built-in microphone to video conference with clients through the Internet. Enjoy wireless connectivity virtually anywhere[1] with built-in WiFi and optional Bluetooth® 4.0.

Designed for Business

Get the quality you demand in one smart package. The 14" Vostro 2420 or the 15.6" 2520 comes in stately London Slate Gray, offers essential mobility and an excellent value for everyday business productivity.

- **Robust, quality design.** You'll appreciate this sturdy laptop with its solid hinge design and an anti-fingerprint cover for a high-quality finish.
- **Sound decision.** Waves® MaxxVoice Pro software provides a crystal clear collaboration solution that reduces background noise and enhances sound clarity.
- **Business essentials**. Three USB ports, plus HDMI & VGA ports for connection to all your essential peripherals and more.

Security is vital. Now it's yours.

Enjoy world-class security and IT support options that provide critical asset protection and assistance—all with the Vostro 2420 / 2520. And get time to focus on business.

- **Your IT solution.** Opt for Dell ProSupport[2] services and get the attention you need 24x7, on the phone or online. Get help in person with optional Dell Next Business Day Onsite Service[3] after Remote Diagnosis.
- **Accidents? No problem.** The spill-resistant keyboard helps guard against minor liquid spills, while Accidental Damage Service[4] can help keep you up and running.
- **Enjoy solid security.** Feel confident that your data and your system are safe with pre-installed Trend Micro Worry-Free Business Security Service virus protection.
- **Dependable Data Protection.** Storing and recovering data is easy and reliable with Dell Backup and Recovery Manager. Or opt for DataSafe™ online backup, a simplified system that may be perfect for your needs.

Important Information:

[1]Where wireless access is available. Additional access charges apply in some locations.
[2]Dell ProSupport. Availability and terms of Dell Services vary by region. For more information, visit www.dell.com/servicedescriptions.
[3] Remote Diagnosis is determination by online/phone technician of cause of issue; may involve customer access to inside of system and multiple or extended sessions. If issue is covered by Limited Hardware Warranty www.dell.com/warranty and not resolved remotely, technician and/or part will be dispatched, usually within 1 business day following completion of Remote Diagnosis. Availability varies. Other conditions apply.
[4]Accidental Damage Service: Service excludes theft, loss, and damage due to fire, flood or other acts of nature, or intentional damage. Customer may be required to return unit to Dell. For complete details, visit www.dell.com/servicecontracts.
[5]Notebook Weights: based on preliminary Dell lab testing. Weights vary with configuration and manufacturing variability.
[6]Notebooks with 4GB or Greater System Memory Capability: A 64-bit operating system is required to support 4GB or more of system memory.
[7]Graphics & System Memory: Significant system memory may be used to support graphics, depending on system memory size and other factors.
[8]AC Adapter: 90 Watt AC Adapter is required for discrete graphic system on Vostro™ 2420.
[9]Hard Drive Capacity: GB means 1 billion bytes and TB equals 1 trillion bytes; Actual capacity varies with preloaded material and operating environment and will be less.
