

HP Stream x360 Convertible PC 11-ag005na

360 of versatility. Serious online productivity.

Stay connected with what matters to you. The HP Stream x360 is the perfect way to get online, get more done, and keep track of your digital life. The versatile design gives you the freedom to work any way you like.

Versatile 360° hinge

Whatever you're working on, there's a mode built to suit you. Go from laptop to tablet, from tent to stand, with ease.

Office 365 Personal included

Get full access to Microsoft Excel, Word, PowerPoint, OneNote, and Access with the included one-year subscription, and easily store your files in the cloud with the 1 TB of OneDrive Storage.¹

The latest wireless technology

The improved 802.11ac 2x2 Wi-Fi antenna delivers a stronger, more reliable internet connection than before, for buffer-free streaming, blazing-fast downloads, and smooth web surfing.²

¹ The OneDrive cloud storage offer is available only with the included Office 365 Personal subscription for a limited time. Check the activation card inside the package for details. For more information, go to <http://onedrive.com/windowsoffer>.

² Wireless access point and Internet service required. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

HP Stream x360 Convertible PC 11-ag005na

Featuring

High-definition display

See your digital world in a whole new way. Enjoy movies and photos with the great image quality and high-definition detail of 1 million pixels.

High-definition display

See your digital world in a whole new way. Enjoy movies and photos with the great image quality and high-definition detail of 1 million pixels.

IPS panel

No matter where you stand, this screen delivers clear, vivid images with 178° wide viewing angles, so everyone can get a great view.

Sleek design

Easily take this thin and light PC from room to room or on the road. When your PC goes wherever you go, staying productive and entertained has never been easier.

Dual front-facing speakers

Pump up the volume to your favorite music, movie or game. When your audio is directed towards you, nothing comes between you and your entertainment.

DTS Studio Sound™

Enhance your listening experience for all your games, videos, and music. Experience deep bass and clear dialogue at maximum volume without any distortion.

USB 2.0 connector

With the world's most popular USB connection, you can easily connect any of your existing USB devices without worrying about compatibility.

USB 3.0 connector

With the world's most popular USB connection, you can easily connect any of your existing USB devices and experience data transfer speeds ten times faster than USB 2.0.

HP Webcam

With a great webcam it's never been easier to stay in touch and get your work done. Video chat with the family with clear, smooth quality.¹⁸
