

HP EliteBook 2570p Notebook PC

Lighten Your Workload. Optimized for Windows® 7 Professional, this ultra-portable notebook turns heads with its petite size and business rugged design. Get to work with a standard voltage processor, wireless connectivity¹ and an optical drive.

HP recommends Windows® 7.

Ultraportable and polished

Starting at 1.63 kg (3.60 lb), this ultraportable notebook blends modern design and precision engineering. Slip this beautiful, light-weight laptop into your carry-on and you're ready for business on the go.

See crisp images on the 31,75 cm (12.5") diagonal HD² display without adding cumbersome size to the notebook.

Its business rugged design protects your laptop against the bumps common with mobile use so your laptop looks as good as you do.

Powered for business

Tackle daunting tasks with the powerful processing capabilities from the latest Intel® technology. This notebook offers a standard voltage processor so you don't trade power for its petite size.

Whether you're across the street or around the globe, HP's extensive wireless technologies have you covered. With optional WiFi and optional integrated HP Mobile Broadband featuring 3G, you can conveniently access the internet, corporate networks, email and mission-critical information in more places around the world^{3,4}.

Enhance presentations, reports and more with impressive visuals, using UMA graphics.

No compromises

This premier notebook combines small size with uncompromised performance so professionals stay a step ahead.

Gain the convenience of an integrated optical drive for additional storage and easy access to data.

Engage in video conferences, web-based trainings⁵ or streaming videos with smooth audio quality that'll surprise you coming from a notebook. SRS Premium Sound PRO also allows you to share crisp, powerful sound directly from your notebook. Forget the extra speakers during your presentations.

LTE is expected to be available in June 2012.

⁴ Sold separately or as an optional feature.

⁵ Internet access required.

Accessories and services (not included)

HP 65W Smart Travel AC Adapter

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. The HP 65W Slim Travel Adapter is perfect for international travelers or "road warriors" who are always on the go. The adapter is 40% thinner than the standard 65W adapter and includes a convenient USB port for charging other accessories while you work. Four international adapter plugs help make sure your Slim Travel Adapter works wherever you do. A stylish protective carrying case keeps everything together.

Product number: AU155AA

HP SX06XL Long Life Notebook Battery

The HP Primary Battery is the extended standard battery replacement for the original battery included with each HP Business Notebook and HP Mini. It's an economical choice for users who primarily use a notebook while plugged in or docked and charge the notebook overnight when they take it home, or for users who rely on a notebook as a backup to a desktop PC.

Product number: QK644AA

HP 12.5-inch Privacy Filter

HP Privacy Filters help you protect your onscreen data by concealing your notebook screen from viewing by passerby and people seated nearby. The filter diminishes the readability for anyone not seated directly in front of the notebook while maintaining the onscreen resolution for the individual user.

Product number: QA216AA

HP Dual Hinge Notebook Stand

Turn your HP Business Notebook into a comfortable deskbased solution by raising your computer screen to a comfortable level. A dual-hinged, smooth-motion display stand allows for greater distance, height and tilt adjustment for maximum comfort. The adaptable design of the HP Adjustable Display Stand accommodates notebooks that can be connected to a docking station and notebooks that do not have a docking connector. Integrated base rollers let you rotate the stand so you can more easily share your work.

Product number: AW661AA

3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely
