

Enterprise-level computing made mobile.

Powerful business computing in a light, slim notebook.

The ThinkPad® T460p combines business-class computing with MIL-SPEC durability – offering the ultimate in reliability. Its 6th Generation Intel® Standard-Voltage CPU delivers outstanding performance while a discrete graphics card easily handles intensive applications. Backed by enhanced connectivity, extended docking options and an optical drive, the T460p redefines enterprise performance without compromising on mobility.

Lenovo™

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD® T460p NOTEBOOK

Highly expandable

Anytime you need more performance, you can upgrade up to 32 GB DDR4 memory – making your T460p future-proof.

Extreme durability

Let nothing stand in the way of productivity. The T460p is built to MIL-SPEC standards and can withstand a 500 cc water spill test.

Superior performance

At the heart of the T460p is an Intel® Core™ H Series Quad-Core processor that delivers amazing performance in a notebook format, up to 1.7x of Intel® Core™ U Series Processors.

Enterprise-level security features

Fingerprint and Smart Card Readers with Trusted Platform Module (TPM) prevents unwanted access, so you can confidently take your ThinkPad® anywhere.

THE LENOVO™ THINKPAD® T460p NOTEBOOK IS BEST SUITED FOR

1 | Enterprises and business professionals who need serious business-class computing in a light, slim, highly-mobile notebook.

2 | Power users who want ultimate mobile productivity with enterprise-grade security and connectivity features.

3 | Anyone who want a thin, light, high-performance notebook with a full range of features for productivity and convenience.

WHAT'S IN A THINKPAD®

- 1 The gold standard in reliability since 1992
- 2 Premium materials and layers of reinforcement
- 3 Award winning ergonomic keyboard
- 4 Form factors for all needs
- 5 Purposeful design details

RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment. Succeed with substance and let Lenovo's Service support you all the way.

PRIORITY TECHNICAL SUPPORT³

Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking and escalation management services.

WARRANTY UPGRADES - ON-SITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business.

WARRANTY EXTENSIONS (1-TO-5 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.

³ Not available in all regions.
